Louisiana Readoption

Dear Parent:

Thank you for inquiring about the readoption process in the State of Louisiana. Enclosed please find an Application for you to complete and return to me at **4209 Bluff Harbor Way, Wellington, FL 33449**. With this application, please send a copy of your child's foreign birth certificate and adoption decree, a copy of his/her Permanent Resident Card (or foreign passport showing the alien registration number), and a check payable to "***Patti Urban and/or Legal-Eaze***" in the amount of \$500.

Once I have received this application, I will complete the legal documents necessary for you to use to file for the change of name and re-adoption of your child. These documents include:

Petition for Recognition of Foreign Adoption
Final Decree of Judgment
Affidavit of Expenses

This process will also allow you to obtain a birth certificate for your child.

Louisiana Parish Courts charge a separate filing fee (between \$170 and \$300) payable directly to them at the time of filing. This is in addition to the fee paid to Legal-Eaze. You are also required to obtain a home study update (or a post placement report) to present to the Court. Please contact your social worker now to begin the process.

As an adoptive mother myself, I look forward to working with you toward the joyful completion of your readoption. If you have any questions, please do not hesitate to contact me at any time at (561) 324-9371.

Sincerely,

Legal-Eaze

Introduction to *Legal-Eaze*

Thank you for inquiring about *Legal-Eaze* International Adoption Specialists LLC and the services we provide.

Legal-Eaze is a company I started in 1996 after working for 20 years as a paralegal. Our primary goal is to provide parents who are adopting from overseas easy access to the international adoption system by helping them help themselves. The services provided **pre-adoption** include: completing and filing immigration documents, consultation with your social worker to coordinate dossier documents, dossier preparation, vital records, dossier authentication, visas, and expedited courier service to New York City Consulates and Government Offices. The services provided **post-adoption** include: readoptions, wills, and consultation and assistance with Certificates of Citizenship, U.S. Passports, Social Security Numbers, and Return of Original Documents from USCIS (formerly INS). All post-adoption paperwork is completed under the direct supervision of the parent.

In April of 1997, my husband and I independently adopted our first daughter, Kristen Mingxia, from Yangzhou, China. In October of 1999, we returned from China with our second daughter from Yangzhou, Juliana Xiaoye. In January of 2002, I traveled alone to China to adopt our third child, Mary Kate Xiru, also from Yangzhou. And finally, in September of 2006, we brought home our son, Kevin from Shangrao, through China's Waiting Child program. As an adoptive parent myself, I can easily relate to other families in their adoption journey in addition to offering many years of experience. The costs for these high-quality services are kept low because my staff and I are not lawyers--we do not give legal advice nor do we represent you. We do, however, assist adoptive parents with the many forms they need to complete.

So, whether you are interested in the services provided by *Legal-Eaze*, or just have a question, parent-to-parent, please do not hesitate to contact us at any time at (561) 422-6007 (Florida Office) or (845) 642-2990 (NYC Office) or visit our website at www.legal-eaze.com.

Sincerely,

Legal-Eaze
